

Join Us for a Pawsome Dining Experience

This summer, Spice Bazaar is excited to roll out the red carpet for our four-legged friends with our brand-new, complimentary Dog Menu! As you enjoy our modern Indian cuisine in the fresh air of our outdoor dining area, your furry companion can indulge in their own gourmet meal. Here's what's on the menu for your pup:

1. Cluck & Crunch Kibbles: A delightful mix of chicken and rice kibbles, perfectly tailored to keep your dog happy and healthy while you dine. This dish combines the wholesomeness of finely ground chicken with the hearty texture of rice—ideal for dogs of all sizes.
2. Hound's Chicken Thigh-Highs: These plain boiled chicken thighs are stripped of all seasonings to make them perfectly pet-friendly. Tender and juicy, they provide a protein-packed meal that's sure to make your dog wag their tail with joy.
3. Frosty Pooch Pops: Created specially by Kanika, these frozen treats are a blend of Greek yogurt, peanut butter, and banana. Not only are they delicious, but they're also a cool respite from the summer heat. These creamy delights are the perfect dessert for your pup after a flavorful meal.

At Spice Bazaar, we believe dining out is a family affair, and pets are very much part of the family. We look forward to welcoming you and your canine companions to experience our hospitality under the sun!

Join us for a truly unique dining experience where every member of the family, paws included, gets to indulge in culinary excellence.
